

#### Chancellor:-

**Dr. Keshav Kumar Agrawal**, renowned Surgeon and award winner for professional excellence, is an MBBS, MS, MRS, FISS and Managing Director of a multi-speciality hospital known as Keshlata Hospital, which was promoted by him & his wife Dr. Lata Agarwal, MBBS, MS (Obst.& Gynae) in the year 1990.

His dedication to the cause of World Class Education for Indian students is exemplified by the fact that in addition to his dedicated and services towards his Profession he has established Bareilly International University which offers various courses viz. Medical, Dental, Nursing, Pharmacy, Paramedical, Management and Journalism. He also started various other school & Colleges like Keshlata International School, Keshlata College of Nursing, Keshlata Institute of Paramedical Sciences, Keshlata College of Pharmacy.

Dr. Keshav Kumar Agrawal has also received various awards like Bharat Jyoti Award, Indira Gandhi Sadbhawna Award, Rashtriya Ekta Award, Rashtriya Ratna Award etc. He has also served various medical and social organisations like Indian Medical Association (Vice-President), U.P. Nursing Home Association (Vice-President), Indian Healthcare Federation, Association of Surgeons of India (President, Bareilly Branch), Central U.P. Chamber of Commerce and Industry etc. He is also life member of various medical and surgical associations of India and abroad. He is also chairman of Varunarjun College of Nursing and Varunarjun College of Pharmacy at district Shahjahanpur.

#### Pro-Chancellor:-

**Dr. Ashok Agarwal**, MBBS, MD, DCH is running his own hospital known as Ashok Kiran Hospital. Ashok Kiran Hospital, a land mark for healthy Mother & healthy child is a success story of Dr. Ashok Agarwal & Dr. (Mrs.) Kiran Agarwal, MBBS, MS (Obst. & Gyne). Since its Establishment in 1987 this hospital has served the citizens of Bareilly with advanced medical treatments in the specialized field of Paediatrics and Obstetrics & Gynaecology. Situated at a distance of only 3 km from the Medical College Campus, this hospital is a 60-bedded hospital equipped with 10 incubators along with advanced nursery unit and round the clock facilities like - Warmers, Phototherapy, C-PAPm Blood Gas Analysis, etc.

## The Trustees

**Dr. Keshav Kumar Agrawal**  
M.B.B.S., M.S., F.I.S.S.  
Chairman

**Dr. Lata Agrawal**  
M.B.B.S., M.S.  
Vice Chairman

**Dr. Ashok Agarwal**  
M.B.B.S., M.D., D.C.H.  
President

**Dr. Kiran Agarwal**  
M.B.B.S., M.S.  
Vice President

The decision to start a Medical College & Hospital by the Rohilkhand Educational Charitable Trust was the result of a need to provide world class yet economical medical aid to the needy, and also to impart world class medical education so as to produce enlightened & humane doctors, who would make the nation proud.

Rohilkhand region caters to a large population of 3 crores including Nepal and a need for economical medical aid was always felt in this region. Also this area is emerging as an educational hub, so the need for a good medical college was looming large. The success of Institute of Dental Sciences was an impetus to start a medical college & hospital that would cater to this need.

The basis of good medical education is the provision of an inflow of a large number of patients. Towards this goal a 730 bedded teaching hospital is functional with latest & modern medical equipments.

It has been an endeavour to provide an environment conducive to learning. For this a large central library well stocked with books, Journals and internet facilities exists. Also planned are courses in allied fields to provide well-trained staff to look after the patients. Towards this goal a Nursing, Paramedical & Pharmacy College have also been started.

## Central Library

The college boasts of a centrally situated well stocked library which aims to satisfy the academic needs of the faculty and the students. Its collection of selective books, Journals (National & International) CDs and Internet connectivity, meets the greater part of the student requirements of both learning & research interest. The library provides the following student support services.

- Reading room facility.
- National & International database.
- Book lending services.
- Reference & information services.
- E-Library
- Free Internet services with medlars facilities.

The M.B.B.S. course is completely residential. Separate hostels are provided for boys and girls within the campus. The rooms are well ventilated and are on a twin sharing basis as well as Single Occupancy. Each student is provided with a cot, mattress, table, chair and almirah. Each Hostel has its own dinning hall, recreation room, visitors room & beautiful lawns. Water purifier and water cooler are also provided in the Mess to meet the requirements of the students.

### MESS FACILITY

The students are provided with wholesome breakfast, lunch, evening tea & dinner with best quality food & Cooking Madie.

## Hostels

The main academic block of the college consists of a five storied building with a covered area of more than 10,00,000 sq. feet. It comprises of airconditioner lecture theatres equipped with modern teaching aids (OHP, interactive boards, LCD projectors), laboratories, museums, library & faculty chambers combined with contemporary architectural beauty & ideal space for academics & research.

## Academic Block

## OPD Block

A huge OPD complex has been provided with waiting lounge and separate reception counters for male & female patients. It caters to more than 2000 OPD patients daily. It has separate examination rooms, for all medical fields, separate dressing room, injection rooms, dark room, room for eye-testing, child rehabilitation room, child guidance room, immunization room, cancer clinic, maternity room, antenatal check up room, audiology room, EKG room etc. This block has 12 demonstration rooms for students teaching, on patients.

## Emergency Block

For patients of accident, gun shot, Stab injury, poisoning, burn, serious illness, heart attack etc.

It has emergency operation theatre with emergency ward for male & female patients. The ward is provided with central oxygen and central suction along with crash cart, pulse oxymeters, non invasive blood pressure monitors & defibrillators, X-ray & Laboratory.

It also has 5 bedded Ventilator ICU with imported motorised ICU beds, Ventilators, defibrillator, Multi Power Monitors.

### ICU and ICCU

A 26 bedded intensive care and intensive coronary care unit is available. This ward is fully air-conditioned with multiparameter monitors on each imported motorised electrical bed, defibrillators, ventilators, central nursing station, syringe pumps, infusion pumps etc. This unit also has TMT (stress test) and echo cardiography machine. Central oxygen, central suction and compressed air has been provided on each bed.

### PICU

An air-conditioned 8 bedded paediatric intensive care unit is available for children. This unit has defibrillator, multiparameter monitors, central oxygen & suction, syringe pumps, infusion pumps, ventilators etc.

### NICU

Two air-conditioned neonatal intensive care units are available one for clean and other for infected cases. Each unit has 4 beds. It has infant ventilators, multiparameters monitors, infusion pumps, syringe pumps, photo therapy, radiant heat warmer etc.

### RESPIRATORY ICU

An air-conditioned 5 bedded RICU is available with 3 ventilators. These beds have cardiac monitors, NIBP, Pulse Oxymeters, Syringe Pumps, Infusion Pumps, Defibrillators etc. Central oxygen, Central suction & compressed air is provided on all imported motorised beds.

### BURN UNIT

This air-conditioned unit has 4 beds. Each bed is provided with cradles and emergency care system with multiparameter monitor.

### DIALYSIS UNIT

A 3 bedded dialysis unit is also available.

### WARDS

There are 600 general beds located in different blocks. All Major wards have nurses duty room, doctor duty room, procedure room, pantry and laboratory. All the duty rooms are well connected through EPABX lines to all other facilities.

## Facilities

## PRIVATE WARDS

36 private rooms are available. These have TV, Coolers, air-conditioners and amenities for patients comfort.

## OPERATION THEATERS

13 operation theaters are functional at present. These operation theaters are air-conditioned and are fitted with most modern life saving equipments like imported operation lights (Hanaulus-Germany), imported operation tables (Eschhman, UK), 'C' arm image intensifier (Philips) operating microscopes (Carl Zeiss), imported anaesthesia machines (Ohmeda and Narcomed) with ventilators, anaesthesia gas monitors, oxygen monitors, pulse oxymeters, NIBP, General Surgical diathermy (Valleylab) along with central oxygen and central suction. Two theatres are modulor.

## DEPARTMENT OF GENERAL SURGERY

It has facilities for all general operations, cancer operations, operations of plastic surgery, operations on gall bladder, abdominal operation, operation on oral cavity, limbs, face and other parts of the body. Laparoscopic surgery is also available for gall bladder and other diseases.

## DEPARTMENT OF MEDICINE

For all the patients of general diseases like fever, pain, TB, abdominal pain, weakness, cough etc. Facility for fibre optic endoscopy (gastroscopy) is also available. ECG is also available.

## DEPARTMENT OF OBSTETRICS & GYNAECOLOGY

It has facilities for examination of pregnant women, CTG units, normal delivery, caesarian section, colposcopy, treatment of infertility, tubectomy, family planning laparoscopic diagnosis, laparoscopic surgery, internal bleeding, tumors of uterus, ovary etc. IVF lab is also available.

## DEPARTMENT OF ORTHOPAEDICS

It has facilities for treatment of Joint Pain, Sciatica, pain in neck and back, fracture, plaster and surgery using 'C' arm image intensifier. Hip replacement, Knee replacement, Spine Surgery, nailing planting etc is also available.

## DEPARTMENT OF PAEDIATRICS

It has facilities for neonatal care and treatment of children of all ages. A 6 bedded modern nursery is also available.

## DEPARTMENT OF OPHTHALMICS

It has facilities of testing of all eye diseases using latest machines like Ergovision eye tester, Topcon slitlamp, Tinsley perimeter, fundus camera, eye scan, indirect ophthalmoscope etc. Facilities for operations in eye for cataract, glaucoma squint is also available. Cataract operations are being done using Carl Zeiss and Carl Storz ophthalmic microscope and imported surgical design phaco machines. Facilities for A scan, B scan, fundus camera & laser surgery are also available.

## DEPARTMENT OF SKIN & VENEREAL DISEASES

It has facilities for diagnosis and treatment of all skin and sexually transmitted diseases using lasers, UV chamber, etc.

#### **DEPARTMENT OF ENT**

It has facilities for diagnosis of diseases of ear, nose and throat. It has siemens audiology machine for testing of hearing capability, it has imported Microscope for operations of ear, nose and throat, Tympanoplasty, Mastoidectomy & Tonsillectomy etc. are being done.

#### **DEPARTMENT OF CHEST & TUBERCULOSIS**

It has facilities for diagnosis & treatment of chest diseases & respiratory problems. Pulmonary function test machine (PFT), pleuroscopy and bronchoscopy are also available.

#### **DEPARTMENT OF PSYCHIATRY**

It has facilities for diagnosis & treatment of mental and psychological disorders. Separate wards have been provided for such patients. Facilities for EEG, behavioural tests, ECT, etc. also available.

#### **DEPARTMENT OF PATHOLOGY & MICROBIOLOGY**

It has latest computerised machines and auto analysers for Testing of blood, culture, cytology, FNAC, biopsy etc. Elisa reader for hormonal assay, Cell counter and frozen section facilities are also available.

#### **BLOOD BANK**

An ultramodern blood banks has been established in the hospital for supply of quality blood & its components round the clock. It has all the facilities for testing of blood & modern equipments for blood donation.

#### **DEPARTMENT OF RADIO DIAGNOSIS**

It has 5 fixed X ray machines (two 500mA, one 800mA, two 300mA), two 100mA (Mobile) & six 30mA (Portable). X-ray facilities is available round the clock. Six color dopplers Ultrasound Units are available for quality diagnosis. 50 Slice High speed Spiral C.T. Scan facilities are also available. Digital fluoroscopy and digital X-ray is also available. DSA, Mammography and latest open MRI (Hitachi 0.4 Tesla Aperto Lucent) & 1.5 Tesla Sciences Siemens Sempara M.R.I. also available.

#### **OTHER FACILITIES**

Three canteens, general store and mechanised laundry is also available in the hospital premises to provide food and other services to patients and their relatives as well as medical students.

#### **MEDICAL STORE (HOSPITAL PHARMACY)**

Seven big medical stores are available inside the hospital on different floors, which work round the clock and supply quality medicines at very economical price.

#### **TRANSIT HOSTEL (like a guest house)**

It is also available with in the campus. It has 27 AC rooms with dish TV, an air-conditioned conference room for 200 persons, canteen, food services etc. Parents of students are allowed to stay and use these facilities.

#### **GENERAL FACILITIES**

- A 512 lines EPABX system has been installed with telephones & intercoms in all departments, including X-ray, pathology emergency services, reception.
- A Public announcement system covers the whole hospital.
- All the reception areas & patient record system is fully computerised with the help of online computers.
- Hospital has a huge parking area, big beautiful lawns, own HT transformer and 6 generators to ensure 24 hours availability of power.
- 100 CCD cameras have been installed at all strategic places including all hospital corridors, all roads, lecture theatres, Hostels etc.

#### **DEPARTMENT OF CARDIOLOGY**

Facilities are available for angiography & angioplasty along with echocardiography, TMT and Holter Monitoring.

#### **DEPARTMENT OF UROLOGY**

Facilities are available for TVR for Prostate, Ureterostomy, PCNL (Per Cutaneous nephrolithotomy) and ESWL- Extra C

#### **DEPARTMENT OF PLASTIC SURGERY**

Facilities are available in Correction of Post

#### **DEPARTMENT OF PATHOLOGY & MICROBIOLOGY**

It has latest computerised machines and auto analysers for Testing of blood, culture, cytology, FNAC, biopsy etc. Elisa reader for hormonal assay, Cell counter and frozen section facilities are also available.

#### **BLOOD BANK**

An ultramodern blood bank has been established in the hospital for supply of quality blood & its components round the clock. It has all the facilities for testing of blood & modern equipments for blood donation.

#### **DEPARTMENT OF RADIO DIAGNOSIS**

It has 5 fixed X-ray machines (two 500mA, one 800mA, two 300mA), two 100mA (Mobile) & six 30mA (Portable). X-ray facilities are available round the clock. Six color dopplers Ultrasound Units are available for quality diagnosis. 50 Slice High speed Spiral C.T. Scan facilities are also available. Digital fluoroscopy and digital X-ray are also available. DSA, Mammography and latest open MRI (Hitachi 0.4 Tesla Aperto Lucent) & 1.5 Tesla Siemens Sempra M.R.I. also available.

#### **OTHER FACILITIES**

Three canteens, general store and mechanised laundry are also available in the hospital premises to provide food and other services to patients and their relatives as well as medical students.

#### **MEDICAL STORE (HOSPITAL PHARMACY)**

Seven big medical stores are available inside the hospital on different floors, which work round the clock and supply quality medicines at very economical price.

Principal

## The M.B.B.S. Course

The aim of the programme is to produce doctors who have learnt the need to :

- (1) Treat each patient with dignity, kindness, courtesy & respect.
- (2) Be competent in diagnosing and managing common health problems of the individual and community.
- (3) Serve the community through preventive medicine & education.
- (4) Appreciate the rationale for different therapeutic modalities & be familiar with the administration of "essential drugs" & their side effects.
- (5) Remain committed to continuing improvement in quality through adaptation of technological advance & continuing education.
- (6) Maintain the dignity of the Profession.
- (7) Recognize their responsibility to society and the development of traits such as personal's integrity, sense of responsibility, dependability & ability to relate to & show concern for other individuals.

10. Instructions For The Parents

Parents are welcome to meet Principal regarding any problem between 3.00 p.m. to 4.00 p.m. only.

The Management has the right to change / modify the rules & regulations at any time.

## Post Graduate Programmes (M.S./M.D.)

The college has 3 years post graduate degree courses in :

1. M.D. in Anatomy - 3 seats
2. M.D. in Physiology - 2 seats
3. M.D. in Biochemistry - 2 seats
4. M.D. in Pharmacology - 4 seats
5. M.D. in Microbiology - 2 seat
6. M.D. in Social & Preventive Medicine (Community Medicine) - 6 seats
7. M.D. in Pathology - 9 seats
8. M.D. in General Medicine - 4 seats
9. M.D. in Chest & T.B. (Pulmonary Medicine) - 3 seats
10. M.D. in Psychiatry - 2 seats
11. M.D. in Dermatology (Skin & V.D.) - 3 seats
12. M.D. in Anaesthesia - 9 seats
13. M.S. in Ophthalmology - 3 seats
14. M.S. in Ear, Nose & Throat (E.N.T.) - 3 seats
15. M.S. Orthopaedics - 6 seats
16. MD Radiodiagnosis - 5 seats
17. MS Gynecology - 8 seats
18. MS Surgery - 5 seats
19. MD Paediatrics - 4 seats

# Faculty of Dental Sciences

## Institute of Dental Sciences

Pilibhit Bypass Road, Bareilly (U.P.) 243006

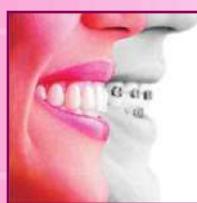

Ph. : 0581-2526244, Fax : 0581-2526054

Dental College by the name of Institute of Dental Sciences is located in the same campus. 700 to 800 patients attend the OPD of Dental college daily to get world class dental treatment. Facilities of special X-rays like Digital Orthopentograph, Radiovisiography are available only in this college in the city. More than 250 dental chairs are available for excellent patient care.

Whole campus has hundreds of beautiful plants, big plush green lawns, metal roads and huge play ground to play cricket/football/hockey etc. Hostels have facilities for gymnasium table tennis, badminton, T.V. room etc.

A big Auditorium with 900 seating capacity is available in the campus for cultural events, and academic conferences with multimedia projector.

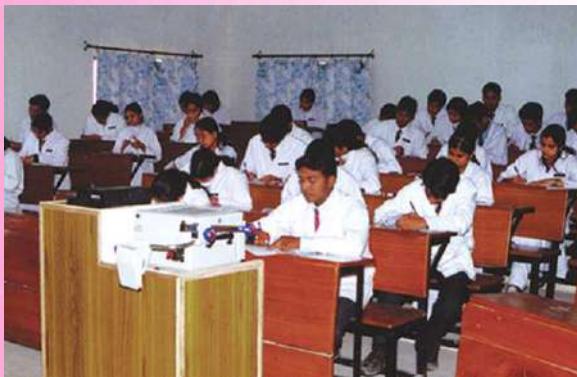

## Statutory Approvals

- Recognised by the Dental Council of India and Ministry of Health & Family Welfare, New Delhi.
- A Constituent College of Bareilly international University.
- Teaching programme & examination dates in accordance with University rules.

## Key Highlights

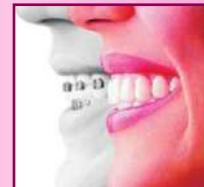

- Situated in the heart of the city.
- Managed by award winning doctors of eminence.
- Having own medical college & 730 bedded hospital within in the campus.
- Railway Station & Bus Station within 3 to 4 Kms.
- Bareilly Cantonment area, Civil Lines, District Hospital within 3 Kms.
- Airy & spacious hostels with beautiful lawns for boys and girls separately.
- Well designed play grounds for indoor and outdoor games with greenery all around.
- Institute provides all the required infrastructure for academics & overall development of students.
- Effective teaching with modern teaching aids like multimedia & LCD projectors, under supreme guidance of dedicated full time faculty members residing in campus.
- Well designed OPD & advanced dental clinical facilities with latest medical equipments catering the need of about 700 to 800 patients daily at present.
- Modern auditorium with seating capacity of 900 students.

## Bachelor of Dental Surgery Programme (B.D.S.)

The Institute is offering Bachelor of Dental Surgery (B.D.S.), a four year degree course plus one year compulsory internship.

The Central Government & the Dental Council of India (DCI) has sanctioned annual intake of 100 students.

The syllabus is as under :

**Ist Year :** General-Human Anatomy & Histology, Physiology, Bio-Chemistry & Dental Materials.

**IIInd Year :** General Pharmacology & Therapeutics, General Pathology & Microbiology, Dental Anatomy & Histology, Pre-Clinical Conservative Dentistry, Pre-clinical Prosthodontics, Crown & Bridge work.

**IIIrd Year :** General Medicine, General Surgery, Oral Pathology, Preventive & Community Dentistry.

## The Syllabus

**IVth Year :** Oral Medicine & Radiology, Periodontics, Pedodontics and Orthodontics, Prosthodontics, Conservative dentistry and Endodontics & Oral Surgery.

Internship is required now as per DCI regulations.

## Eligibility for Admission

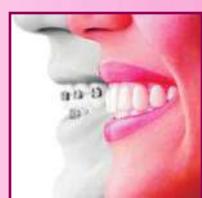

Admission to the five years B.D.S. Course shall be through a competitive Examination (NEET) held by the Government of India and through Common Counseling by U.P. Government.

All candidates desirous of seeking admission must obtain atleast 50% marks in Physics, Chemistry, Biology and English in Intermediate or 10+2 or equivalent examination. For SC/ST, the minimum marks in Intermediate or equivalent examination shall be 40%.

For further details, please contact the Administrative Officer of the Institute on any working day between 10.00 a.m. - 2.00 p.m. (Phone : 0581-2526244, 3096688, 2526051, 2526053, 9359102935).

- A student who stands first in aggregate in 1st, 2nd, 3rd and final examination of the Institute (with a minimum of 75% marks) shall be awarded a Gold Medal.
- A student who stands second in aggregate in 1st, 2nd, 3rd and final examination of the Institute shall be awarded a Silver Medal.
- A student who tops in aggregate of all the four examinations shall be declared as the "Best Graduate" and be awarded a Gold Medal. Such a student must pass all the annual examinations in first attempt and without a gap.

## Medals / Scholarships

- A prize for "Excellence in Clinical Work" shall be awarded to one of the final year students on the recommendation of committee comprising the Heads of clinical dental subjects.
- In addition to the above, a certain number of poor and deserving students may be awarded scholarship or some concession in tuition fee by Managing Committee on the recommendation of Academic Council of the Institute.

## Master of Dental Surgery Programme (M.D.S.)

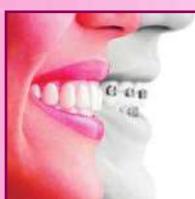

Principal

Two year diploma courses in dental hygiene & dental mechanics are also available in the Institute of Dental Sciences. Both these courses are recognised by Dental Council of India.

The Institute of Dental Sciences has 3 year post graduate courses in  
Prosthodontics - 6 Seats  
Periodontics - 6 Seats  
Oral Medicine and Radiology - 3 Seats  
Endodontics (Conservative Dentistry) - 6 Seats  
Oral Surgery - 6 Seats  
Oral Pathology - 2 Seats  
Orthodontics - 3 Seats  
Pedodontics - 3 Seats  
Community Dentistry - 3 Seats

## Dental Hygienist and Dental Mechanics Courses

## Dental OPD & Dental Camps

The Dental OPD incorporates facilities of Medical OPD & Emergency Services besides regular medical checkup and treatment in following a highly upgraded departments :

- Department of Oral Medicine & Radiology
- Department of Prosthodontics
- Department of Periodontics
- Department of Oral & Maxillofacial Surgery
- Department of Pedodontics
- Department of Orthodontics
- Department of Endodontics
- Department of Community Dentistry
- Department of Oral Pathology

The institute is conducting free monthly dental checkup and education in neighbouring schools and villages to create awareness of oral hygiene in masses.

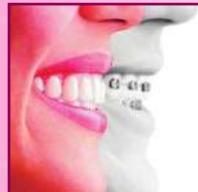

## Academic Block

The main academic block of the Institute consists of five storied building with a covered area of more than 1,80,000 sq. feet.

It comprises of Lecture Theaters equipped with modern teaching aids, Laboratories, Museum, Library and Faculty Chambers combined with contemporary architectural beauty and ideal space for academics & research.

Computer facility is available to the students even in extended hours with wide range of softwares and multimedia, which keeps them involved with academics with leisure. Computers with internet are available in all the dental departments for students and faculty.

## Well Equipped Labs

The institute has highly upgraded labs equipped with modern instruments & machines.

Under the supreme guidance of highly qualified faculty members and well trained lab technicians, students learn implementation of their theoretical knowledge practically.

Various labs, like Biochemistry, Physiology, Dental Material, Anatomy, Pharmacology, Microbiology, Pathology, Pre Clinical Conservative and Radiology etc. are always in support.

## Hostel Facilities

In campus, separate Hostel facilities for Boys & Girls are available to all students. The Hostel accommodation is on twin sharing basis representing quality and safety. Each room has steel almirahs, reading tables, beds with mattresses and pillows. Each Hostel has its dinning hall, recreation room, visitors' room and beautiful lawns. Water purifier and water coolers are also provided in the Mess to meet the requirement of the students.

Residential flats are also available in the campus for faculty members of the institute. These flats are fully occupied by key faculties.

24 hour electricity and water supply is provided in the campus.

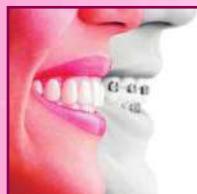

The Library of the Institute aims to satisfy the professional needs of the programme. Its collection of selective books, magazines, journals (National & International) CDs and Internet connectivity meets the greater part of the student's requirements of both learning and research interest. The library provides the following student support services :

- ◆ Book Lending Services ◆ Reference and Information Services ◆ Reprographic Services
- ◆ Reading Room Facility ◆ National & International Database, etc. ◆ E-Library

The Institute has its own cafeteria for students & staff separately and has also exclusive tie-up with the adjacent Executive Club which consists of swimming pool, indoor/outdoor games, food & recreational facilities. Air conditioned stay facility is also available for parents in the campus.

## Play Area

Sports facilities for Swimming, Badminton, Table Tennis, Volley Ball, Foot Ball and Yoga Classes are available to all students inside the campus for maintaining physical fitness. Students are encouraged to participate in Inter-Institutional tournaments.

## Banking Facility

It is available through Central Bank of India, situated in the campus of the institute. Two Automated Teller Machines (ATM) are also available in the campus.

## Foreign Tie-up

Institute of Dental Sciences has tie-up with Tufts University Dental College at Boston, U.S.A. for specialised training in dentistry in America. Students of final year can go for this 3 weeks training programme.

## Cafeteria

# Faculty of Nursing

## Rohilkhand College of Nursing

Rohilkhand Medical College Campus, Pilibhit Bypass Road, Bareilly (U.P.) 243006  
Ph. : 0581-2526011-12, Fax : 0581-2526054

### Nursing Courses

- ◆ NPCC Programme (2 Years Programme)
- ◆ M.Sc. Nursing (2 Years Programme)
- ◆ Basic B. Sc. Nursing (4 Years Programme)
- ◆ General Nursing & Midwifery (GNM) (3 Years Diploma)
- ◆ Auxiliary Nursing & Midwifery (ANM) (2 Years )

College of Nursing is located at Pilibhit Bypass Road, Bareilly in the campus of Rohilkhand Medical College. It is about 3Kms. from the bus stand and 5 kms. from the railway station. The motto of our institution is "Towards Professional Excellence". Our commitment is to provide safe and intellectually challenging environment that will empower students to become innovative thinkers, creative problem

solvers and inspired learners prepared to thrive in the twenty first century. High standards and expectations for each student in regard to academic performance, co-curricular participation and responsible citizenship are the foundation of our college. It is with pride that we hold these high standards and encourage each of our students to commit and maintain extraordinary record of excellence and achievement. We believe that effective teachers create opportunities for intellectual risk taking, collaboration, problem solving, application of classroom learning to real life situations and implement strategies that promote ownership of learning of students. College is equipped with all required laboratories, well established physical infrastructures, library and most students get opportunities for clinical practice in parent teaching Hospital, Rohilkhand Medical College and Hospital.

### Statement of philosophy

Rohilkhand College of Nursing develops quality professionals to provide health care services at the grassroots and to meet the global demand. Rohilkhand College of Nursing aims to create leaders in the Nursing professionals by providing unique, innovative programmes that are responsive to the market need, keeping in mind the rapid advance in the health care sector in India as well as aboard. The curriculum emphasizes on a holistic approach to nursing care, in order to ensure an all-round growth of the Nursing students. Student Nurses are trained to meet the international standards of professionalism and maintain the highest standard of clinical practice. The Programmes offered by Rohilkhand College of Nursing ensures numerous career venues for a Graduate Nurse in the healthcare industry across the world.

### Mission

College of Nursing is committed to excellence in Nursing Education, clinical practice and community service. The College prepares Nursing student to be effective clinicians and leaders who will work to improve the health and health care of the people.

### Vision

College of Nursing is a flourishing center of Nursing education and service for practice. ## Rohilkhand School of Nursing

Rohilkhand Medical College Campus, Pilibhit Bypass Road, Bareilly (U.P.) 243006  
Ph. : 0581-2526011-12, Fax : 0581-2526054  
e-mail: [info@rmcbareilly.com](mailto:info@rmcbareilly.com), [www.rmcbareilly.com](http://www.rmcbareilly.com)

### Statement of Philosophy

The faculties of the Rohilkhand School of Nursing believe that modern Nursing is a dynamic, therapeutic and educational process in meeting the health needs of the individual; family and the community and we feel that formal Nursing education is the only way through which professional Nurses can be prepared to work in various settings of the hospital and the community.

We also recognise that the students should be well trained to enable them to give care to the patients, with a spirit of devotion, sympathy and commitment. They are able to make decision in time of emergency and able to give comprehensive Nursing care to the patients, individuals, families and community.

We also believe that intellectual development, creativity and curiosity are integral parts of the educational process and we feel that effective motivation and purposeful self-activity is conducive to optimum learning we accept, we have the responsibility to train the student to acquire the knowledge, develop skill & positive attitude to enable them to carry out their duties and responsibilities as a competent professional Nurse.

**Courses Opened:** ◆ GNM ◆ ANM

#### Aims & Objectives

- ◆ Parents/ guardian whose name is given in the hostel form can visit to the student on Saturday and Sunday from 10:00am to 7:00 pm.
- ◆ The outing day is on Sunday till 6.00 pm. in summers & till pm in winters.

#### **For Male student:**

- ◆ The time period for the night stay in the local place is after duty/class on Saturday to Sunday after 5:00 pm only. (Alternative Saturday)
- ◆ Parents/ guardian whose name is given in the hostel form can visit to the student on Saturday and Sunday from 10:00am to 7:00 pm.
- ◆ Student should reach before 7:00 pm to hostel there after no entry is allowed.

## Aims & Objectives

The main aims and objectives of Rohilkhand School of Nursing are :

1. To train students with scientific knowledge and principles.
2. To prepare competent professional nurses with a sound education programme of Nursing and Midwifery.
3. To improve the standard & status of nursing profession.
4. To maintain the dignity & honour of the nursing profession.
5. To help students develop an ability to cooperate and to coordinate with members of the health team in the prevention of diseases, promotion of health and rehabilitation of the sick.
6. To guide students in their personal and professional development.
7. To prepare nurses with latest technology & professional development.
8. To help nurses to meet the challenging needs of nursing profession.
9. To provide the best possible opportunities for learning in actual situation and for practicing in rural and urban communities.

## Infrastructure

**ENVIRONMENT AND SPECIAL FEATURES :** Rohilkhand School of Nursing provides a rich and wholesome environment. The building is safe, clean, spacious and well furnished, free from noise & pollution and facilities for the implementation of advanced technology with computer system is available.

**SCHOOL LIBRARY :** There is a large collection of latest nursing books, medical books, journals, nursing and health care magazines. Other books and magazines of various categories are also available in the library. Besides books & magazines, audio & video CD's are also available in the library.

**AUDIO VISUAL AID :** Audio visual aids are available in the form of various kinds of charts, posters, models, dummy, over head projector, epidiascope, etc.

**COMPUTER LAB :** We have a well furnished computer lab with 20 latest computers to impart computer education to the nursing students.

**TRANSPORT :** We have separate 42 seated buses for the nursing students, for their community health experience in urban and rural areas like PHC, CHC and affiliated centres.

**HOSTEL :** There is a separate well furnished hostel with accommodation for 400 nursing students in the hospital campus only. Each room provides accommodation for two to four students. Beds with mattresses and reading table with chairs are also provided in each room. Security arrangements are strictly maintained round the clock in the hostel premises and the hospital area.

**DINNING HALL :** Dining room is spacious, ventilated and hygienic with adequate tables, chair, water cooler with purifier, refrigerator, heating facilities and hand-washing facilities. Big modern kitchen is also attached to it.

**LABORATORIES :** A-Nutrition Lab, B- Practice Lab, C-Community Lab, D-Computer Lab

#### ELIGIBILITY FOR ADMISSION:

1. **AGE:** 17 years to 30 years as on 1st September.
2. **MINIMUM EDUCATION:** Intermediate Pass 10+2 or its equivalent.
3. **SUBJECTS :** English & Hindi is compulsory in High School and Intermediate.  
Preference will be given to the candidates with science subjects.
4. Admission of candidates will be determined on the basis of an entrance examination & interview conducted by the Rohilkhand School of Nursing.

5. Candidates should be medically fit.
6. Candidates should be willing to obey all the rules of the School of Nursing/Hospital.
7. Incomplete forms will not be entertained.
8. The following photostat copies of certificates duly attested by the gazetted officer should be attached with the form.
  - (i) High School Certificate
  - (ii) Intermediate Certificate (10+2)
  - (iii) High School Marksheets
  - (iv) Intermediate Marksheets (10+2)
  - (v) Transfer Certificate
  - (vi) Character certificate from the principal of the school/college last attended

#### MAILING ADDRESS

Principal, Rohilkhand School of Nursing, Campus Rohilkhand Medical College & Hospital  
Pilibhit Bypass Road, Bareilly - 243006 (U.P.)

**WITHDRAWAL FROM THE COURSE :** If, after registration, the student withdraws from the course, deposited fee will not be refunded.

## Training Programme

**DURATION OF THE COURSE :** The Diploma Course for general nursing and midwifery (GNM) shall be of three years and six months duration respectively. The degree course is of 4 years duration (B.Sc. Nursing).

#### PRELIMINARY/PROBATIONARY TRAINING

**PERIOD (P.T.S.) :** The P.T.S. period of student shall be of 3 months (12 weeks). During the period, the student will attend lectures in the class room. They will attend wards for observation and supervised practice. An examination will also be conducted during P.T.S. period to assess the ability of the student to continue the course. After the completion of the P.T.S. period, there will be a "Candle light ceremony" for the successful candidates.

**ADMISSION ENQUIRY:** Contact 9415854970, 9412289231

# Faculty of Paramedical Sciences

## Bachelor of Medical Laboratory Technician

(3 Years Course)

### About Course:-

Bachelor of Medical Laboratory Technology (BMLT) is a three-year undergraduate course which offers knowledge about the laboratory equipment and laboratory diagnostic procedures. The course is helpful for students who wish to pursue a career in the management of laboratories, advancement in laboratories, and instrumentation. With BMLT being one of the fastest growing field in the healthcare sector, Degree in BMLT helps you gain practical and technical knowledge for right diagnosis and how to effectively run biochemical laboratories.

### Duration

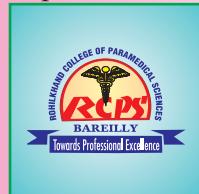

3 years + 6 months' internship.

### Eligibility

10+2 with at least 45% marks in PCB/PCM or DMLT from any state technical board or university.

### Our Faculty

Our strength is more than 25 highly qualified, dedicated and experienced Faculty from reputed Indian universities and many renowned medical and paramedical colleges. Majority of them hold qualifications as per UGC & MCI norms

## Rohilkhand College of Paramedical Sciences

Rohilkhand Medical College Campus, Pilibhit Bypass Road, Bareilly (U.P.) 243006

Ph. : 0581-2526011-12, Fax : 0581-2526054

Website : [www.rmchbareilly.com](http://www.rmchbareilly.com)

E-mail : [info@rmchbareilly.com](mailto:info@rmchbareilly.com)

The institute has fully outfitted laboratories for various streams. The labs are equipped with state of art educational and research instruments like, Spectrophotometer, Colorimeter, Elisa reader, semi and fully automated Biochemistry analyser, hematology cell counter, Automated equipment for histopathology lab ,microtome, Cooling Centrifuge, Deep Fridge, Microscope with CCTV, Shaker Incubator, CO2 Incubator, Anaerobic Chamber, both horizontal and vertical laminar, Culture lab, etc. to name a few, for imparting high quality laboratory exposure and hands-on training to the students.

### Career Opportunities

Medical Lab Technology Graduate & Postgraduate has a wide choice of carrier opportunities in health care sector, both rural and urban environment including community aspects of health care and of rural health care services. The sphere of services encompasses the fields of clinical laboratory testing, hospitals, medical and research institutes, blood banks and R&D divisions of laboratories of government and private hospitals.

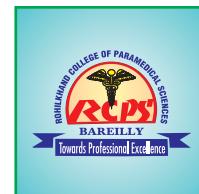

## Diploma in Medical Lab Technology (2 Years)

In the modern world of medicine the society is giving importance and preference of the ultra modern Hi-tech hospital and health care delivery system only. The medical laboratory technology is the basic requirement for each and every medical institution and hospital. Our college committed to deliver quality education as per paramedical norms. This two year diploma course covers the basics of preclinical subjects such as Biochemistry, Pathology, Microbiology and Blood Banking. Medical Laboratory Technologists (MLT) do these by analyzing body fluids, tissues, blood typing, microorganism screening, chemical analyses, cell counts of human body etc.

**THE PROGRAMME AIMS REALIZING THE FOLLOWING OBJECTIVES**

- ★ To provide skill oriented training to students and thus provide skilled professionals who will be able to work in a variety of laboratory setting.
- ★ They will develop skills in doing blood, urine and stool examinations. Making slides for biopsy, preparing cytology slides etc.
- ★ There are excellent job opportunities for qualified medical laboratory technologists. They can work in hospital and research laboratories, public health facilities, industrial laboratories and in colleges.
- ★ Apart from just laboratory usage, any of the techniques developed for medical imaging also have scientific and industrial applications.

## Diploma in X-ray Technology (2 Years)

X-ray technicians (also known as X-ray technologists or radiologic technologists) use cutting-edge imaging methods to visualize the inside of the human body. The pictures they create help physicians to diagnose and treat illness or injurious with great accuracy. Technicians have a unique opportunity to work with some of the most exciting and groundbreaking medical machinery available.

They will be taught to take x-rays, developing of x-ray films, digital, mammography, C.T. Scan, M.R.I. and develop films as well as look on computers.

### Eligibility Criteria

1. Age limit is 17-35 years on or before 31st Dec. of the year of admission.
2. A Student must pass Higher Secondary education with Physics, Chemistry, Biology or Maths and with English from any recognised institute/University.
3. Candidate should be medically fit.

## B.Sc. Optometry (3 Years Course)

Optometry is a health care profession that involves examining the eyes and applicable visual systems for defects or abnormalities as well as the medical diagnosis and management of eyes disease with prescribing correctional lenses or eye exercises also prescribe contact lens with treating such disease or referring them for treatment.

### Scope:-

A career as an optometrist can be very fulfilling as it provides a wide scope for employment. Optometrist can:

- ◆ Govt. Primary Health center
- ◆ Govt. Description Hospital
- ◆ Private and Govt. Hospitals
- ◆ Medical colleges
- ◆ International health Agencies Such as- WHO, UNICEF, REDCROSS
- ◆ Academic institution
- ◆ Multi super Specialty Hospitals
- ◆ Practice independently or have a joint Practice Along With an Ophthalmologist.

### Approval:-

Approved by **UP state Medical Faculty Lucknow.**

### Course Offered & Duration:-

- ◆ B.Sc Optometry
- ◆ 4 Years (3 Years Academic session+1 Year Compensatory Rotational Internship)

### Eligibility:-

The Candidate must have complete 17 years of age at the time of admission & must pass in the final examinations of 10+2 or equivalent with 50% marks in PCB.

### Teaching Aids:-

The Lecture Hall is equipped with LCD projector. This Facilities is fully utilizes by our experienced Faculty to bring out the best for student.

### Demonstration

Demonstration is required to enhance the theoretical and clinical skills of Optometry student. Demonstrations are carried out by the subject expert through audio visual presentation.

### **Group Description:-**

Group Description and seminar presentation are held periodically in small batches, Guided by the Faculty for clarifying doubts, sharing knowledge with fellow colleagues and experts.

### **Clinical Teaching & Facilities:-**

The students are sent to the Hospital in Ophthalmology department by rotation for training and have a direct interface with the patient which enables them to improve their skills.

- ◆ Refraction Lab
- ◆ Refractometer Room
- ◆ Kerotometer Room
- ◆ Laser and Angiography
- ◆ Minor OT
- ◆ Orthoptic Lab

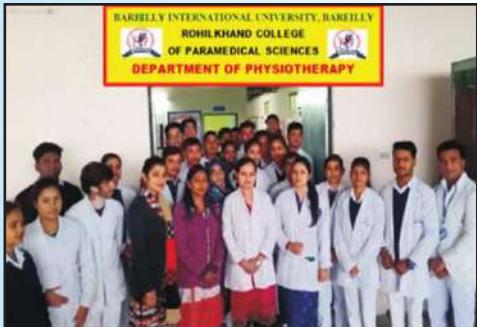

### **Paramedical Courses**

Diploma - MRI Technician	2 Years	Degree - B.Sc. (MLT)	3 Years
Emergency Trauma Care Tech.	2 Years	BPT	4 Years
Dailysis Tech.	2 Years	B.Sc. (Radiology)	3 Years
Sanitasion Tech.	1 Years	B.Sc. (Optometry)	3 Years

# BPT (Bachelor of Physiotherapy)

## 4 Year Course

Physiotherapy means therapeutic system of medicine which includes prevention, examination, diagnoses and treatment of any person in connection with movement dysfunction, bodily malfunction, physical and mental disorder, heading & pain using exercises like mobilization , manipulation and electric modalities.

### Scope:

- ◆ Every govt. & private sectors (hospitals) needs a well equipped department of Physiotherapy.
- ◆ Physiotherapist can work in both education setup and can have their own clinical practice,
- ◆ Every sports team requires a skilled physiotherapist.
- ◆ Physiotherapist can also work in Rehabilitation centers Yoga centers & Fitness centers.

### Facilities & clinical Services:-

Department of Physiotherapy has a well equipped advanced lab for imparting high quality practical training on various aspects of physiotherapy

Department of Physiotherapy also organizes workshops and clinical posting to the update students

**Teaching Faculty:-** RCPS have postgraduate high Qualified professional in all branches of physiotherapy to provide adequate in- depth knowledge to students. Institute also focuses on monthly evaluation and assessment of students to keep them updated.

### Courses offered:-

1. Bachelor of Physiotherapy (BPT).

**Duration:-** 4.6 years

**Eligibility:-** Candidate must have passed (10+2) with Physics, Chemistry & Biology as main subjects & aggregate should not less than 50% in intermediate class

# Faculty Pharmacy

## BIU College Of Pharmacy

Rohilkand Medical College Campus, Pilibhit Bypass Road, Bareilly (U.P.) 243006

Ph. : 0581-2526011-12, Fax : 0581-2526054

Website : [www.rmchbareilly.com](http://www.rmchbareilly.com)

“To build such a beautiful atmosphere of discipline, learning and knowledge with true hands of excellent and rewarded faculties in such an admirable way for better growth and future achievements, mutually”.

Dr. Pushpendra Kannoja

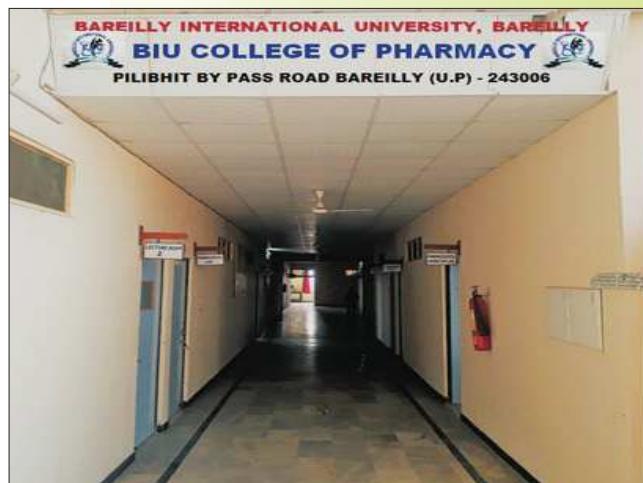

Principal

### B.Pharm

Bachelor of Pharmacy is a four-year undergraduate programme that has been designed to enhance the skills of the students in terms of focusing on communication ,safe and effective medication use, knowledge, healthcare system organizations, development professional identity, critical thinking, and lifelong learning. They are educated about the actions of drugs, drug uses, therapeutic roles, side effects, potential drug interactions. The core of pharmacy subjects includes Pharmaceutical Chemistry, Pharmaceutical Analysis, Pharmaceutics, Pharmacology, Pharmacognosy and Biochemistry.

BIU College of Pharmacy is committed to full fill the following objectives:-

- ◆ To attain effective knowledge of pharmaceutical sciences leading to hold key position in Pharmaceutical sector.
- ◆ To attain practical training and expertise in pharmaceutical sciences.
- ◆ To adapt and implement best practices in the profession by enrichment of knowledge and skills in research

#### D.Pharm Course Available

- ◆ D.Pharm - Duration 4 Year intake -100
- ◆ D.Pharm - Duration 2 Year intake -60

#### Salient Features

Sophisticated and Modern Central Instrumentation Facility, equipped with highly sensitive instruments.

- ◆ A medicinal Herbal Garden with medicinal Plants of different species.
- ◆ Software for the simulated experiments on Animals.
- ◆ Celebrate White Coat Ceremony every year to aware the professional responsibilities of pharmacists.
- ◆ Celebrate World Pharmacists Day and Pharmacy Week every year to educate professional responsibilities of pharmacists.
- ◆ Organized Workshop and National seminars to upgrade the knowledge of students to build bridges of Pharmaceutical industry.
- ◆ Organizes a industrial visit every year to upgrade the knowledge of students about the manufacturing process of various formulations.
- ◆ Regular Hospital Trainings of the student at approved Health care centers.

# FACULTY OF MANAGEMENT

## Master of Hospital Administration (MHA)

Rohilkand Medical College Campus, Pilibhit Bypass Road, Bareilly (U.P.) 243006

Ph. : 0581-2526011-12, Fax : 0581-2526054

Website : [www.rmchbareilly.com](http://www.rmchbareilly.com)

E-mail : [info@rmchbareilly.com](mailto:info@rmchbareilly.com)

The Master of Hospital Administration programme (MHA-Hospital) aims to develop a cadre of professional managers for the rapidly growing hospital sector. As hospitals become an increasingly complex technical environment employing people with widely divergent skills, the need to manage them efficiently without any compromise to the humane and caring environment that the sick need brings forth the need for a new type of health professional- the hospital manager. The MHA (Hospital) programme prepares students for leadership roles in the hospital sector through training in planning, operational and project management of hospitals including orientation in the managerial aspects of clinical and support services. The programme also imparts training in managing financial, material and information systems in hospital settings and builds the perspectives, attitudes and skills needed for managing people. The MHA (Hospital) Degree is designed to be completed in 4 semesters spanning two years.

During the course students learn in a hospital through daily posting in 28 departments like : 1. Registration and Enquiry 2. Admission and Billing 3. Out Patient Department(OPD) 4. Minimal Residual Disease(MRD) 5. Student Health Clinic 6. Trauma and Emergency 7. Transportation and Ambulance 8. Housekeeping 9. Bio Medical Waste 10. Central Sterile Services Department(CSSD) 11. Dietary services 12. Pharmacy 13. Linen and Laundry 14. Biochemistry laboratory 15. Microbiology laboratory 16. Pathology laboratory 17. Hospital stores 18. Biomedical Engineering 19. Dialysis 20. Cath Lab 21. Occupational Therapy(O.T.) 22. Pharmacy 23. Marketing 24. Blood Bank 25. Intensive Care Unit(ICU) 26. Purchase 27. Radiology 28. Psychiatric Rehabilitation services. Department Facility to the MHA Students such as Highly Qualified Faculty, PPT Class rooms, Library etc

Students of the MHA (Hospital) programme find jobs to manage a variety of specialized services in hospitals, both in the private and in government sectors. Their job description includes managing various departments of large hospitals as well as planning and designing new services and new hospitals. In the past, students have found employment in leading corporate- and trust-run hospitals all over the country. Of late, there are also job opportunities arising in hospital consultancy firms, health care IT industry, and the health insurance sector.

Training & Placement Cell – Bareilly International University, Bareilly – strives for the best placement of students through its constant endeavor in preparing students for taking up challenges in the specialized services in hospitals, both in the private and government sectors, health care IT industry, and the health insurance sector.

# Faculty of Humanities & journalism

## Faculty of Journalism

Faculty of Journalism, which became operational in July 2019, determines to recognize, relish and cultivate aspiring journalists in Journalism and Mass Communication, and to facilitate them to grow to be dynamic and contributive personalities for quality-driven public platforms in the fields of information, innovation and technology, and in so doing enriching economy and promoting democracy for the welfare of the masses. This goal is to be achieved by creating a training mechanism for coaching academic insights, practical knowledge and socio-cultural and moral values, by fostering a team of intellectuals for collecting and passing on useful information, by inculcating a sense of accountability among the learners in order to promote peace, harmony, growth and order in the public, and by extending and augmenting the faculty of Journalism and Mass Communication through inter-disciplinary modules, novel pedagogical methods and inventive critical perceptions.

Faculty of Journalism at Bareilly International University aims to endorse and encourage excellence among the students of Journalism and Mass Communication, which the Faculty has been doing efficiently since its beginning. Therefore, the Faculty has been conducting Graduate and Post Graduate courses— **B.A. (Journalism), B.A. (Mass Communication), M.A. (Journalism) and M.A. (Mass Communication)** for the aspiring journalists. A professional course in Journalism or Mass Communication opens doors for a career in print media and electronic media, such as in newspapers, magazines, publishing houses, online media, TV and Radio, photography, public relations, direction, filmmaking, scriptwriting, production, sound recording, sound mixing, editing, translation, etc. In brief, Journalism along with Mass Communication offers a big range of job opportunities in India and abroad.

## Faculty of Humanities

Faculty of Humanities, which was started in July 2019, aims to develop understanding, particularly of the learners, for people's cultures, endorse engagement with others, strengthen diverse communities, and recognize and retain new technologies and innovation for producing efficient leaders trained in creating an open line of communication with the responders. Concomitantly, the faculty, which offers a vast range of career options for students, cherishes to support and safeguard democratic system, fundamental rights and ethics for building good societies where people can enjoy high levels of employment, prosperity, stability and healthier upbringing.

Faculty of Humanities at Bareilly International University is home to four P.G. programmes— **M.A. (English), M.A. (Hindi), M.A. (Psychology) and M.A. (Sociology)**. These programmes will train the students to become active and productive citizens and employable post-graduates. It will help them to develop skills of mind and heart for learning creative and critical thinking, grappling with nuance, complexity, and subjectivity, familiarizing to a diverse environment and enhancing communication techniques. The Faculty encourages the students to know the world beyond the university and learn employability tactics embedded as a theme in their programmes and also supports its teachers in knowledge transfer techniques, co-curricular activities and consultancy services with public and private ventures.
